

Ladera

DASHEENE FISH FRY

*Join Chef Nigel for a Saint Lucian culinary
tradition at our main pool*

The Community's fisherman bring you freshly caught fish to sample; prepared using organic ingredients. Other island specials include barbeque chicken, octopus stew and local delights. Taste famous Saint Lucian rums and cocktails, while enjoying live life music and Ladera's panoramic views of the Sunset with the Pitons as a background. Some twenty years ago, The Gros Islet village, not yet of 'town' status, invited tourists from the neighboring hotels. Soon, enterprising villagers set up live music, the fare got bigger, and the crowd grew larger, turning the once quiet affair into a rip-roaring event that found its way into magazine columns and television features worldwide. The Friday night street party became one of St. Lucia's major tourist attractions. Chef Nigel is proud to bring this special tradition to Ladera Resort and you, our fine guests.
